	2-Year	Rank in Sociology category	19/137	32/137	78/142	18/42

\*Compiled from data provided by Wiley & Sons (Mike Streeeter; 2012-2013) and Oxford University Press (2014-2015)

\*\*The 2014 Impact Factor for IPS was understated by Thompson Reuters because of their erroneous calculation of the denominator.

\*\*\*JoGSS was launched in 2016 and thus, is too new to have an impact score as of March 2017.
