

**Report of the Workshop “Peace Operations and the Emergence of Hybrid Peace”  
Montreal, 15 March 2011**

Dear ISA Organizers,

First of all, I wish to express my gratitude for your support of our workshop, held in Montreal the day before the beginning of the ISA Annual Convention.

The workshop went very well, and I think I do not exaggerate if I say that all participants were extremely satisfied with it. Almost all participants were able to join our meeting. Only Mimmi Soderberg-Kovacs (for personal reasons) and Richard Atwood and Chetan Kumar (for last minute work-related commitments) had to cancel their participation. In place of Mr Kumar, we were able to invite Mr. Jos De La Haye (UNDP).

The workshop proceeded according to plan. The discussion was lively and engaging and certainly promising for our future publication plans. In fact, as stated in our initial application, we plan to publish a special issue of the journal *Global Governance: A Review of Multilateralism and International Organizations* (due in January 2012). Most of the workshop participants (Roberto Belloni, Anna Jarstad, Kristine Hoglund, Bertine Kamphuis, Keith Krause, Louise Olsson, Francesco Strazzari, Marie-Joelle Zahar, and Vanessa Wyeth) will contribute a paper for this special issue. The journal's editor, Professor Timothy D. Sisk, was also present at the workshop and confirmed his commitment to publish these papers (of course, after they have undergone double-blind review).

Please note that several workshop participants have not asked to receive a reimbursement for their lodging. In one case (Marie-Joelle Zahar) this is due simply to the fact the participant lives regularly in Montreal. In the other cases, participants found it easier and more convenient to have their home university cover the entire cost of participation to the ISA Annual Conference.

I hope you will find this brief report contains all the information you require. Needless to say, please do not hesitate to contact me, should you have any questions.

Best regards,

Roberto Belloni
